

## **APPROVED DISTANCE LEARNING COURSES**

### **THESE COURSES MAY NOT BE USED TO SATISFY A LABORATORY**

**REQUIREMENT.** The Environmental Health Specialist Registration Committee has approved the following correspondence courses to satisfy the education requirements of Health and Safety Code 106635. **Only the stated course numbers are approved.**

#### **MICROBIOLOGY**

Biol. 1100 - Introduction to Microbiology, Utah State University, (800) 233-2137.

MIC100 – Microbiology, TUI University, [www.tuiu.edu](http://www.tuiu.edu)

#### **MATH**

Math 1050 - College Algebra, Utah State University, (800) 233-2137.

#### **ORGANIC CHEMISTRY**

Organic Chemistry X18, University of California Media and Independent Learning, Berkeley, CA, (510) 642-4124.

#### **PHYSICS**

Physics 2001 - General Physics, Louisiana State University, (800) 234-5046.

#### **BIOLOGY**

Biol. 1009 - General Biology (1601), University of Minnesota, (800) 234-6564.

Biol 211 - Principles of Biology I or Biol 212, Principles of Biology II, Iowa State University  
<http://project.bio.iastate.edu> (515) 294-7204

**The following courses apply only to OPTIONS III and IV.** General basic science credit for Options I and II is not granted for these courses because they are considered applied science.

#### **STATISTICS**

STAT 2000, Statistical Methods, Utah State University, (800) 233-2137.

BHS 420 - Quantitative Reasoning, TUI University, [www.tuiu.edu](http://www.tuiu.edu)

#### **EPIDEMIOLOGY**

PUBH 4040, Fundamentals of Epidemiology, Utah State University, (800) 233-2137.

BHE 400 – Epidemiology, TUI University, [www.tuiu.edu](http://www.tuiu.edu)

MPH 504 - Epidemiology, TUI University, [www.tuiu.edu](http://www.tuiu.edu)

MHE 513 - Risk Assessment and Epidemiology, TUI University, [www.tuiu.edu](http://www.tuiu.edu)

#### **PUBLIC HEALTH ADMINISTRATION**

Polsc 3700, Intro to Public Admin., Weber State University, (801) 626-6785.

#### **ENVIRONMENTAL HEALTH ELECTIVES**

MHS 523 - Principles of Environmental Health; TUI University, [www.tuiu.edu](http://www.tuiu.edu)

MHS 525 - Food Protection, TUI University, [www.tuiu.edu](http://www.tuiu.edu)

MPH 537 – Industrial Hygiene and Occupational Health, TUI, University, [www.tuiu.edu](http://www.tuiu.edu)

For approval of a course, not listed above, towards EHS registration you must submit the course outline or syllabus. This applies to courses you have already completed and courses you are planning to enroll in. After we receive the course outline, a determination will be made whether the course meets the standards for course approval.
